### **SPARTAN ECHO STAFF**

Once again we have assembled pictures and words and hope that we have presented in an interesting fashion the people, and some of the events and happenings at Lima Senior High during this school year.

Most pictures in the faculty, activity and sport sections were taken and processed by Mr. Rex and the boys who work with him. The advertising section was completed by Mr. Hagaman and the Distributive Education classes. A special debt of gratitude is owed to the Lima News for the many pictures they so willingly gave us.

Mr. Bright is the business manager of publications. Mr. Hubbell is the advisor.

## TO THE CLASS OF '66:

When I think of the Lima Senior High School Class of 1966, the lines of the nineteenth century poet, Robert Browning, come alive:

"The year's at the spring  
And the day's at the morn;  
Morning's at seven;  
The hillside's dew-pearled;  
The lark's on the wing;  
The snail's on the thorn:  
God's in his heaven—  
All's right with the world."

Those lines and thoughts will be remembered by you much longer than any words I might write or ideas I might present. They will live in your memories and hearts because they have special meaning and significance. Also, they capture, I believe, the substance and spirit of this outstanding Class of 1966.

My very best wishes for success and happiness and health in the years to come.

The faculty of Lima Senior High School observed from the time of your entrance as sophomores that as a class you possessed an intense desire for excellence, the ability to cooperate magnificently, and more than your share of members who had developed outstanding leadership traits. Because of this admirable desire to cooperate and to do the best job possible, your Student Council of this year, under the capable leadership of its officers, was able to plan, organize, and complete activities and procedures which, if continued, will benefit greatly all future student bodies. In brief retrospection we list some of the most pertinent achievements: the organization and development of a parliamentary and leadership council workshop, the innovation of a democratic cheering section, the evaluation and chartering of our school clubs, the business-like organization of our council with standing committees delegated to study carefully all matters of business before they are acted upon, and the new election procedures based upon those used nationally.

For these accomplishments and for the honors achieved on the athletic fields, in the classrooms, and in the concert halls we extend our most sincere congratulations.

But what pleased us most was the magnanimous way in which you welcomed, helped, and cooperated with the Central Junior High students who shared our building during the period of emergency. Not all classes would have accepted in the same uncomplaining manner the early schedule which you were asked to follow.

If you continue this fine cooperative attitude recognizing always the rights of others and striving for excellence in whatever you attempt, we, the faculty, will not be afraid to place the solution of the problems of tomorrow into your capable hands.

NAOMI IN TYPICAL JAPANESE COSTUME  
AT 10 YEARS OF AGE

### OUR FRIEND FROM JAPAN

To say that good things come in small packages is a synopsis of Naomi Mitsumoto. Everyone at Lima Senior High and the Lima area has been impressed with her warm, sincere personality. We hope she will long remember her scores of American friends, for we shall surely remember Naomi.

Naomi's home in Lima was with the Rev. and Mrs. Richard Vitz. Her home in Japan is Yatsushiro on the island of Kyushu. Naomi has two older brothers who are living in Tokyo at the present time. Her father is in the local government and the elections proceedings in Yatsushiro. Naomi's versatility comes from her talented mother and her early dancing instructions. When Naomi returns to her island, she will have two semesters to finish at Kumamoto Daiichi Senior High School. Although this school is public and co-educational, there are 1,800 girls in attendance.

Naomi has been very active at Lima Senior High School. As a member of the Senior Choir, she participated in all chorale assemblies and presentations. Two side highlights were her graceful Japanese ballet and the other was singing in An American Folk Hootenanny with Pete Kesler as her partner. Naomi was also an asset to the Student Council as a regular voting member. As a Y-Teen, Naomi enlightened the girls on some of her Japanese customs. Naomi was a loyal supporter for the teams since

she was a member of the Pep Club.

Naomi, thank you for bringing a little of Japan to Lima. Through you we have gained much. We hope you have profited from your American Field Service Exchange in Lima. It's "sayonara" instead of "good-bye."

GOOD LUCK, NAOMI

## SENIOR CLASS HISTORY

As entering sophomores in September of 1963, we looked forward to three years of work and enjoyment at Lima Senior High.

Our sophomore class officers were Linda Lamson, president; Jim Leonard, vice-president; Barb Hawkins, secretary; and Bill Fritsche, treasurer. During this year the football team won the G.O.L. with the help of sophomores Jim Hay, Rick Young, John Lepo, and Bob Snyder. The baseball team also won State. Bill McBride was our member of the Inaugural Ball Cabinet, and Linda Lamson was the sophomore May queen attendant. We began our plans for the next year by electing class officers. They were: Tim Riker, president; Bill McBride, vice-president; Noreen Warnock, secretary; and Bill Fritsche, treasurer.

Our junior year began with a flourish of football games, after-game dances, coat-checks, and plans for the prom. Bill McBride was again elected to the Inaugural Ball Cabinet and Miriam Bowers was the attendant to the May Queen. Our tennis doubles team went to State with junior Jim Leonard. With many junior members, the swim team won the G.O.L. and completed an undefeated season. The track team also did well by winning the District meet.

We started our Senior year off with a bang by tying for the G.O.L. Senior Bruce Hodges won a place on the All-Star G.O.L. team. Football season's highlight came with the election of Miriam Bowers as Homecoming Queen. Members of her court were Jackie Spilker, Sandy Houtzer, Janet Graham, Sarah Zurfluh, Linda Lamson, and Pam Zuber. Our class officers for this year were Bill McBride, presi-

dent; Judy Langstaff, vice-president; Noreen Warnock, secretary; and Mike Puglise, treasurer. Tim Riker was elected president and Jim Leonard and Bill McBride were vice-presidents for the Inaugural Ball. Jim Pseekos had a lead in the All School Play. Our senior class proved to be one with many new ideas. To begin with we had a tremendous Pep Rally and soon afterward, we started the Senior of the Week program. In April, seniors Joe Webb and Bill Zimmerman organized the first hootenanny at Senior High. It was also our senior year that the Pep Club came back in full force under the leadership of Noreen Warnock and Mrs. Gingrich. Our basketball team did a fine job, and Bill McBride broke a school record by scoring forty-five points against Hamilton Taft. Willis also was named Player of the Year and made second team, All-State.

Spring sports came in as Bill McBride again earned honors by breaking the city high jump record. Bill's new record is 6'3 $\frac{1}{4}$ '. Our Annual Smorgasbord was a total success, and as our Senior year came to a close, we had many scholastic awards, an exciting prom, and a fun-filled senior picnic. All this was climaxed by baccalaureate and commencement.

Now in leaving Senior High we can look back proudly to the many things we have accomplished, the many friends we have made, and the many challenges we have accepted. We offer all these to the underclassmen and present them with the Spartan Shield in hopes that they too may keep the traditions and precedents that we have upheld.

—Noreen Lynn Warnock, Secretary

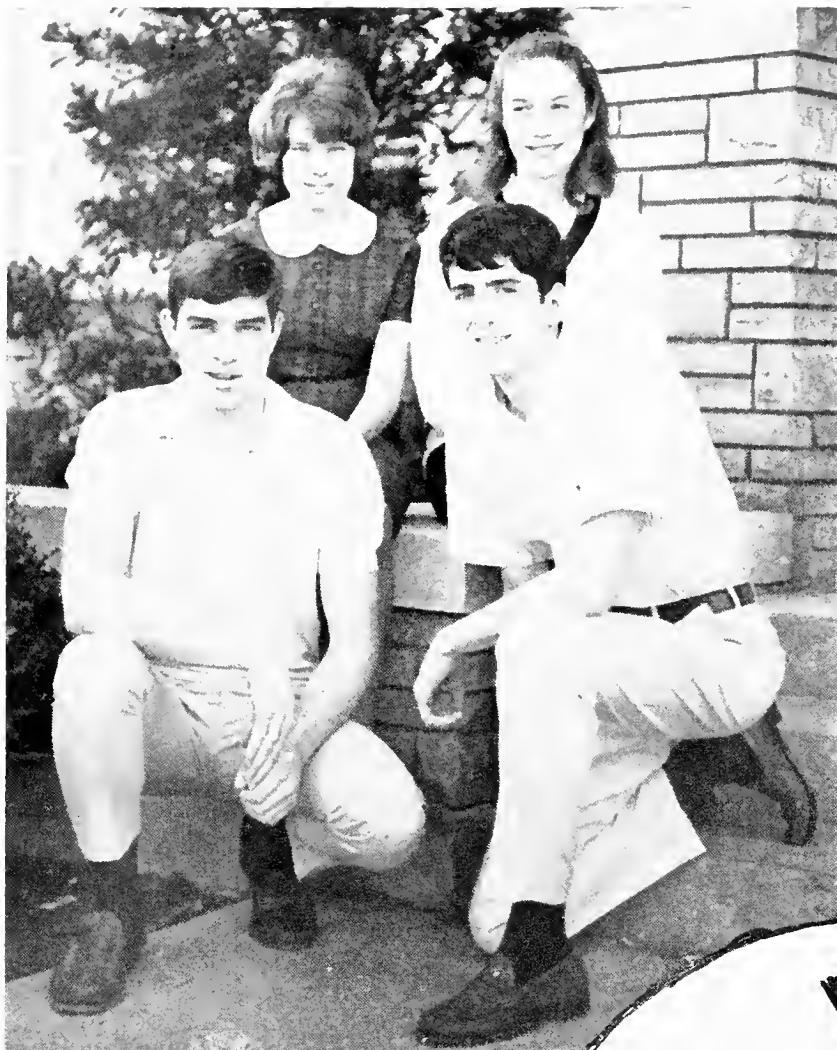

## **ALMA MATER**

Hail to thee, proud Lima,  
Colors fine and true;  
Many thoughts our hearts will cherish,  
Though we're far from you.  
In thy halls of truth and learning  
Linger mem'ries dear;  
Ev'ry voice will hold a yearning,  
Never disappear.  
Alma Mater, Alma Mater,  
Lifting every hand;  
May your sacred halls and towers,  
In our Mem'ry stand.

## **FIGHT SONG**

Fight on Lima, fight to the close,  
Pull your colors through.  
Fight on Lima, those you oppose  
Cannot conquer you.  
Though the contest be hard to win,  
We'll keep calm and cool;  
For our brave Lima boys  
Will bring victory to our high school.

## STUDENT COUNCIL

The Student Council is the elected representative body of the school, providing a "forum for student expression and debate." Composed of twenty seniors, fifteen juniors, and ten sophomores; the Council meets every Tuesday after school, with committees meeting at different times throughout the week. This year's officers include; Tim Riker, President, Mindy Smith, Vice-President, Sarah Zurfluh, Secretary, Linda Lamson, Treasurer, Doug Herman, Parliamentarian, and two standing Committee chairmen, Steve Butler, Student Council's Student Affairs Committee and Miriam Bowers, Social Committee.

The Council's main projects for the year included: sponsorship of a new Block "L" Pep Section, initiation of an American Field Service Program, reorganization of all club constitutions, running the concession booths and selling programs for tournament games, sponsorship of a school-wide Hootnanny, writing a new Council Constitution and Code of ethics, joining the Area Student Council, attending the Ohio Convention of Student Councils, and advancing the Spartan Spirit through pep rallies under the direction of Dean Coley, Rally Chairman, and a school motto contest sponsored by the Social Committee.

The Student Council organizes and executes all school elections. The Election Committee Chairman is the Vice President of the Student Council. Once the elections are held, the Social Committee arranges all plans for the event. There is also a committee through Council to work on a handbook during the summer of the up-coming sophomore class. The Student Council works the year around to better the student-faculty relationship and advance the unification of the entire student body.

### LIMA SENIOR HIGH PEP CLUB

"We're from Lima; we're the Block L." With this chant 192 members of the Lima Senior High Pep Club initiated the home basketball games.

The Pep Club, one of the largest pep clubs in Ohio, was organized early in January with the help of Student Council President Tim Riker and many ambitious girls. The chief goal of the club is to augment school spirit and organized cheering at the games. After a successful season at the home games, the group followed the team to all tournament games. The culminating activity was a trip by chartered bus to the game in Bowling Green.

This year's uniform consisted of gray skirts, white blouses, and white gloves. The twenty-four girls comprising the L section wore cranberry blouses.

## SENIOR Y-TEENS

It's been a busy year for the Senior Y-Teens!

As one of its two major service projects this year, the Club organized a party for the kindergarten pupils at Mizpah Community Center. Several gifts were presented to each child—gifts which were both fun and practical.

In the spring, the Senior Y-Teens planned a talent show and performed for the patients of the Allen County Home.

To promote interest in international relations, the Club sent scrapbooks featuring pictures of American teenagers to several European, African, and South American countries. Through correspondence, members of the Senior Y-Teens "adopted" a squad of servicemen stationed in South Viet Nam. Pen pals were also made available for Y-Teens who wished to write to foreign teenagers.

For several weeks Senior Y-Teens supervised the evening Study Hall sessions at Mizpah Community Center and also entertained children at the Saturday morning Storybook hour.

During the Easter season, small Easter baskets were given to the children at Memorial Hospital. Tray favors were sent to St. Rita's Hospital.

Other service projects conducted throughout the school year were: filing at Memorial Hospital, decorating bulletin boards at the YWCA, sending tray favors to the Allen County Home, helping other Y-Teen clubs organize programs and projects, addressing and stuffing envelopes for the Red Cross, Tuberculosis Association, and the YWCA, and attending City Council meetings. The Senior Y-Teens also participated in the "Lima Number One" project by planting roses at various locations within the city.

Spartan Spirit Season started in September when the Senior Y-Teens sold scarlet and gray rings to all school-spirited students. These colorful, ten-cent rings were the Club's first fund-raising project. During Christmas vacation, the Club netted profits from a bake sale. But the biggest and busiest money-making effort was yet to come.

ROW 1: Debby McDonel, Ellen Smith, Nancy Shoemaker, Melinda Ferguson, Shirley Shook, Sara Zurfluh. ROW 2: Anita Sims, Terri Beilharz, Linda Servis, Libby Williams, Patty Hand. ROW 3: Jodi Radulovitch, Alvita Crisp, Diane Baughman, Connie Dotson, Jodi Stivakas, Pam Furry. ROW 4: Heather Boham, Neeta Nichols, Leslie Von Alman, Joyce Greetham.

On March 21, 1966, the Senior Y-Teens presented "Fountain of Fashions" — a benefit spring style show—in the school auditorium. Clothing and doorprizes were provided by the stores at the Lima Mall, but over-all organization, financial backing, stage settings, tickets, programs, modeling, make-up, and publicity were left to us. The show was hard work but fun and profitable!

Outstanding programs this year included: a speech on Communist Cuba delivered by Mr. Octavio Noda, a Cuban escapee; a panel discussion of religion, morals, and youth involving Senior Class members; an informal talk by a former GLAMOR fashion editor; a college panel representing area schools; a discussion led by Miss Mary Beery on graduation and prom etiquette; Miss Mary Jane Patterson's talk on the underprivileged Americans, and Harry Hulsey Starrett's "Philosophy of Life."

Together with the above activities, the Senior Y-Teens participated in many annual, traditional events sponsored by both the school and the YWCA's Interclub Council.

Senior Y-Teens sold large white mums for Homecoming, provided refreshments for the Sadie Hawkin's Dance, attended the annual Y-Teen Recognition Service, attended the Toledo Mid-Winter Conference, and participated in the Christmas-time Hanging of the Greens. The Good Friday Breakfast, Senior Tea, Rose Queen Gala, and Spring Dance offered additional activities for the Senior Y-Teens.

Leading the Club in its activities this year were: Melinda Ferguson, president; Nancy Shoemaker, vice-president, Ellen Smith and Debbie McDonel, Secretaries; Shirlee Shook, treasurer; Joyce Greetham, program chairman; and Miss Mary Weadock, faculty advisor.

Delegates to the Ohio Y-Teen Conference at Ohio Wesleyan University were: Miriam Bowers, Janet Graham, Joyce Greetham, and Janice Micha.

Delegates to the National Y-Teen Convention in Washington, D.C. were Karen Copeland, Melinda Ferguson, Janice Micha, and Nancy Shoemaker.

## FUTURE TEACHERS OF AMERICA

The Lima Senior High School Chapter of the Future Teachers of America is an interest club dedicated to the following purposes: "to promote better understanding between teachers and students; to learn about the opportunities in teaching; to cultivate the essentials of a good teacher; to foster the development of student leadership." The chapter welcomes all students interested in the teaching profession and strives to achieve its purposes through a series of information programs given by Lima teachers and administrators.

The fall schedule included the election of officers and the writing and adopting of a comprehensive constitution. Because the teaching interests of the chapter members varied widely, the programs were of a varied nature and included: Mrs. Mildred Johnson on "The Satisfactions of Teaching"; Mr. Rex Settlemire on "Physical Education"; and Miss Margaret Rimer on "Preparation on Becoming a Teacher". Second semester program speakers were: Mr. J. McLean Reed on "The College Curriculum for Prospective Teachers" and the Ohio State Branch; Mr. Harry Gross on "Textbook and Equipment Purchasing"; and a teacher from Robin Rogers School talked on "The Education of Retarded Children". In the spring there were discussions of classroom teaching techniques and teachers' associations, the nomination and election of officers, and the annual picnic and installation ceremony.

## GIRLS' ATHLETIC ASSOCIATION

To promote good sportsmanship as well as to enhance social experience is the goal of the forty active members of the Girls' Athletic Association. Every Tuesday, the regular meeting day, the association sponsors intramural sports in which all members may participate. Ten points are awarded each week to the participating member. Because there are approximately fourteen weeks of activities, one hundred of the required one hundred fifty points must be earned in intramural sports. Other points may be acquired from outside activities in which a fixed number of points is awarded according to the time played or the games played.

At the end of the year, awards are given to the individuals according to the number of points they have collected. This year fifteen members earned numerals, which required three-hundred points; six received letters, six hundred points; two acquired pins, nine hundred points; and four received guards, which required a total of twelve hundred points.

In addition to sports the club sponsored a service project. For this the girls provided food for a needy family at Christmas. Our money-making projects include selling pencils and sponsoring the all-star game.

## SPARTAN SPOTLIGHT

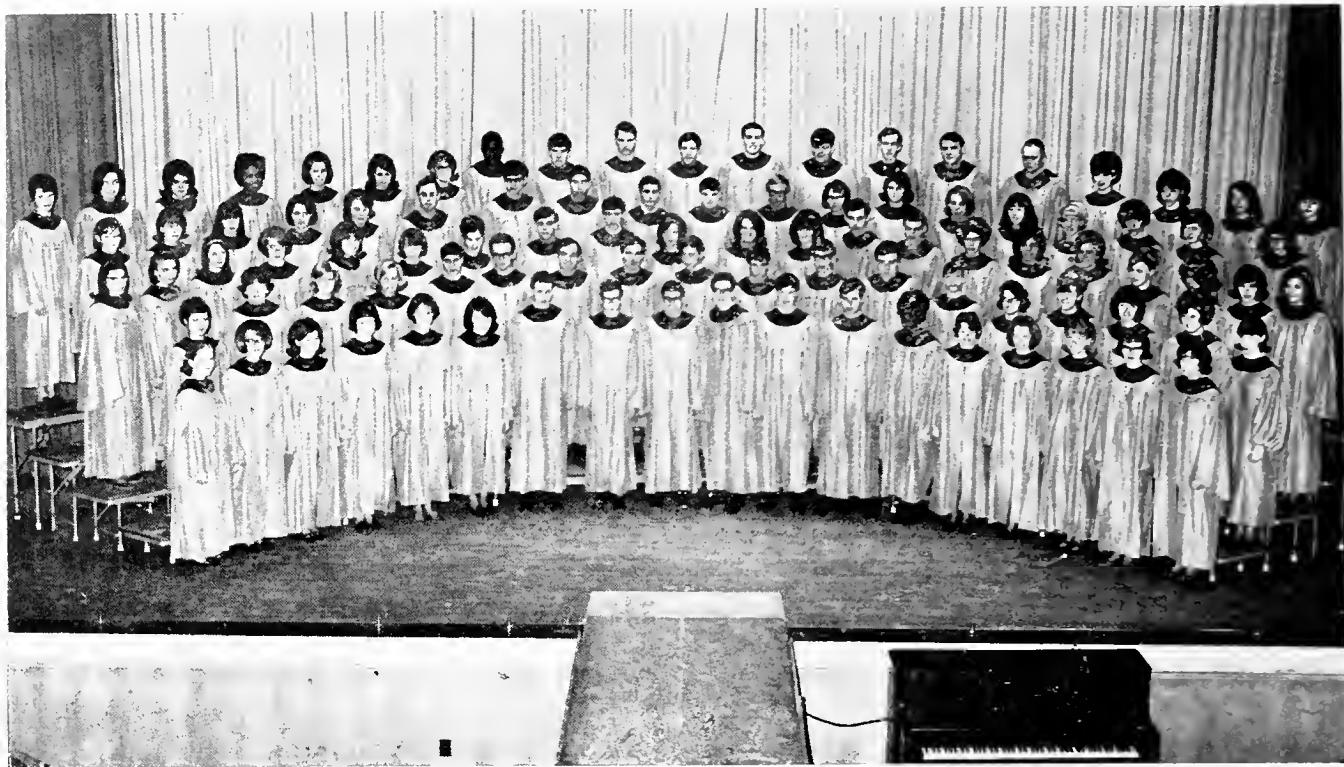

Each year the SPARTAN SPOTLIGHT staff publishes seven issues in which they cover as completely as possible student and school news, activities, sports, and editorial and feature material.

With the exception of two students, this year's staff was made up of novices and because of conflicts with music, drama, physical education, and sports, organization was not begun until October.

The annual journalism convention at Bowling Green State University highlights the year's activities. The SPARTAN SPOTLIGHT has repeatedly received superior ratings in the evaluations of high school newspapers in northwestern Ohio.

The SPARTAN SPOTLIGHT is affiliated with the Quill and Scroll Society, an honorary journalistic organization.

## LIMA SENIOR HIGH SCHOOL ORCHESTRA

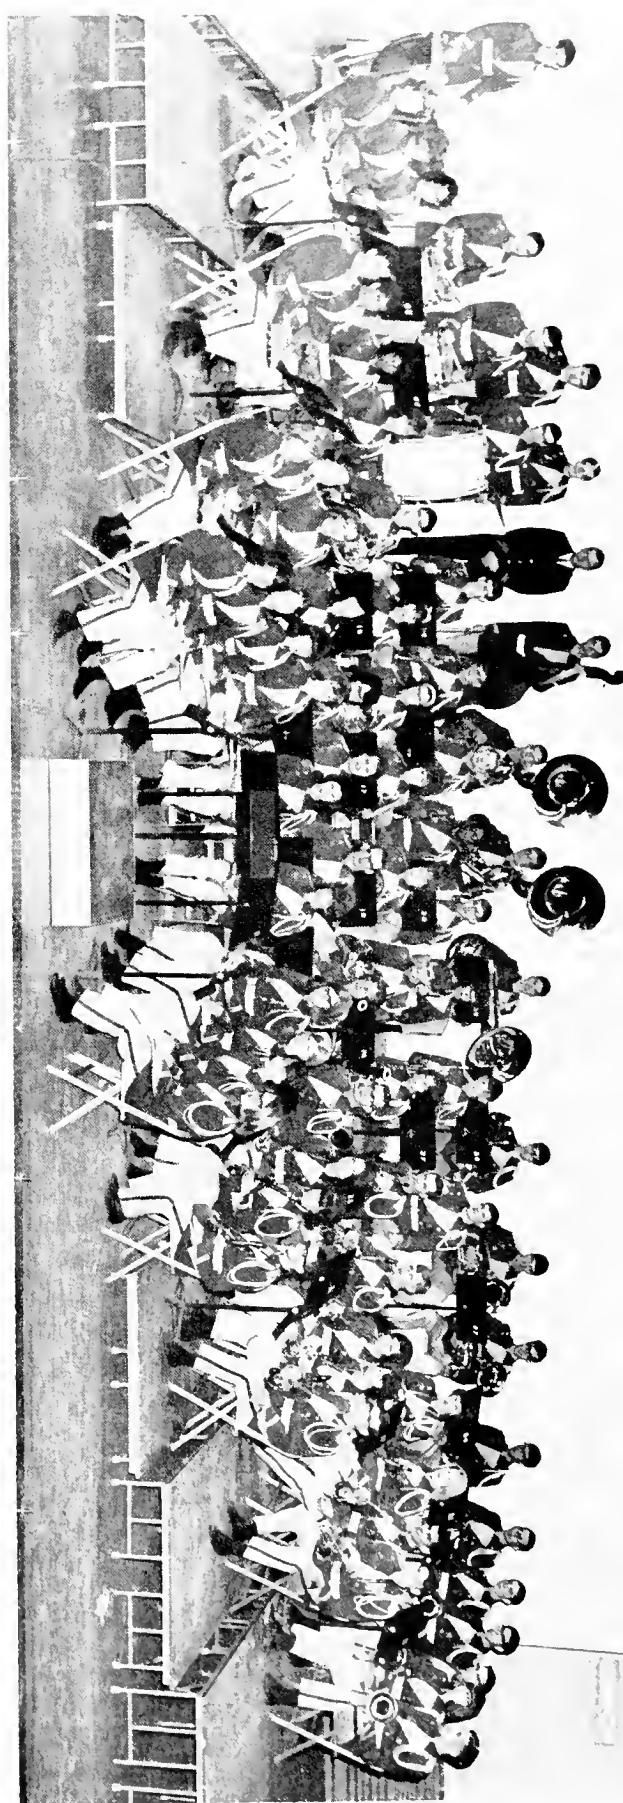

The Lima Senior High Orchestra which is sponsored for the participation and enjoyment of interested musicians, is under the direction of Mr. Bert Blair. The organization strives to give each member a challenging and worthwhile musical experience.

The orchestra opened the season by taking part in the Fall Festival. At Christmas, various members participated in the annual presentation of *Amahl and the Night Visitor* for elementary and junior high students. The next month was spent in preparation for our biggest concert of the year, the Pops Concert. Following this, various members began preparing pieces for the District Solo and Ensemble Contests.

One of the highlights of the year's activities was the presentation of the Children's Concert for fifth and sixth grade youth throughout the city. Our final performance was the Spring Concert of April 22.

This year a new ensemble group, the "Swinging Strings" under the direction of Mr. Roger Burkholder, played for many civic organizations. A major achievement of the year was obtaining uniforms for orchestra members.

Officers of the organization were David Heck, president; Nancy Shoemaker, vice-president; and Penny Penman, secretary-treasurer.

## CONCERT BAND

The Lima Senior High School Concert Band is composed of the school's finest instrumentalists. Members are chosen on the basis of competitive auditions held during the summer before each school year.

The goal of this group is to provide each member with a meaningful musical experience through performance of a varied repertoire of the finest in band literature. Mr. Fred Mosier is the director.

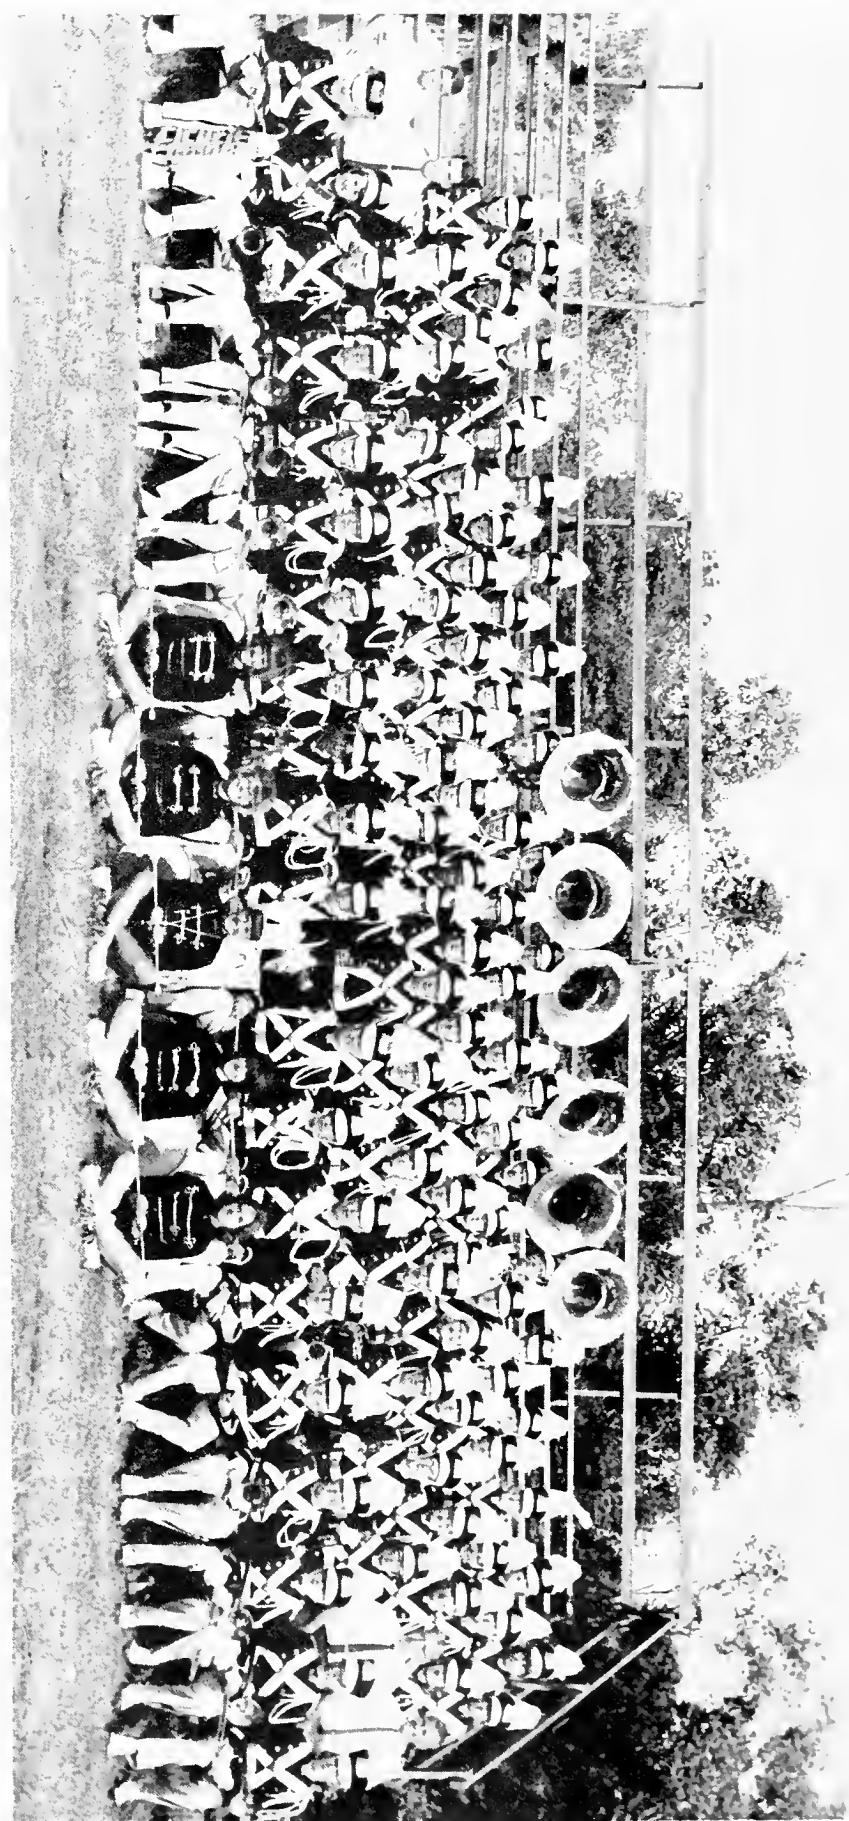

The 1965-66 Concert Band consisted of seventy-three members; 31 seniors, 33 juniors, and 9 sophomores.

Our first concert appearance was at the Fall Festival and later we gave the Thanksgiving Concert which featured contemporary music. At the Winter Concert we were hosts to the Van Wert High School Band, who with our own Cadet Band helped us break all records of previous concert attendance. Late in May the band traveled to Van Wert for an appearance at their school.

The Invitational Concert in April brought to our city Mr. Richard Suddendorf of Ohio State as guest conductor and provided the high of our concert appearances.

There were twenty-four ensembles and sixteen soloists that participated in the District III Solo and Ensemble Contest.

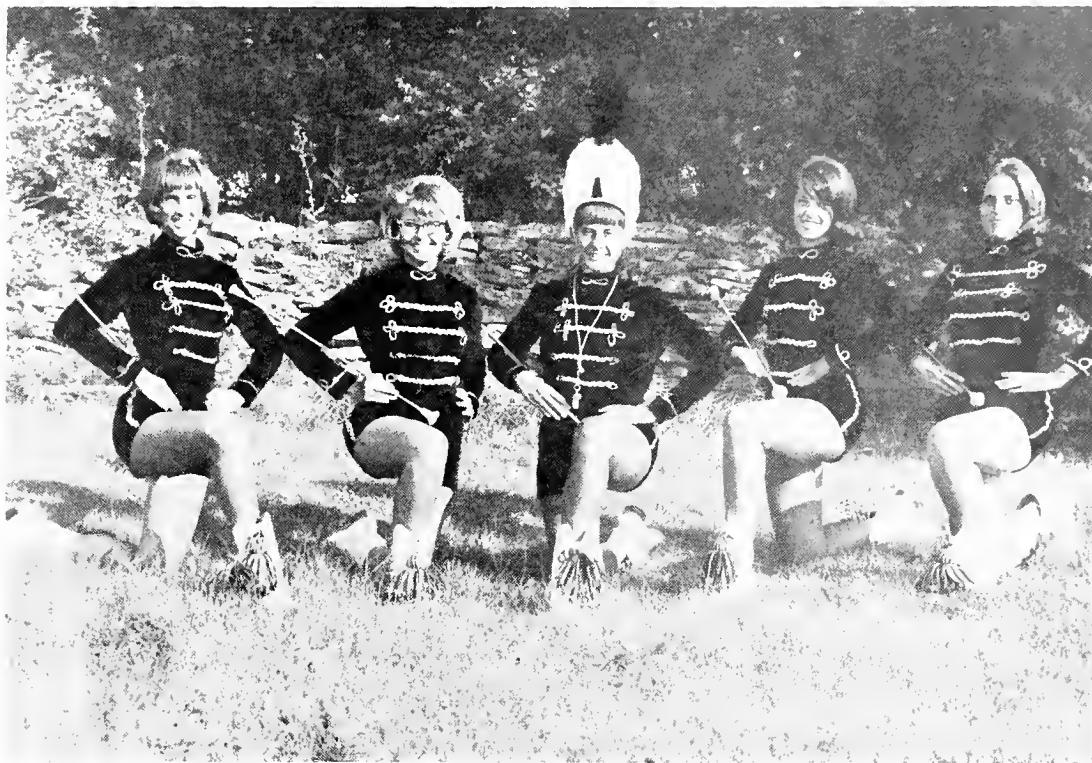

Officers for 1965-66 were: Jim Leonard, President; Keith Tussing, Business Manager; Carl Rayburn, Vice-President; Miriam Bowers, Secretary; Patty Hartig, Assistant secretary; Patsy McGough, Treasurer; Deanna Wehrman, Assistant Treasurer; Jan Pifer, Librarian; and Bill Fritsche, Pep Band Leader.

## THE SPARTAN MARCHING BAND

Lima Senior's Marching Band is made up of one hundred loyal Spartans under the able leadership of Mr. Fred Mosier and his assistants, Mr. Max Beck and Mr. Robert Robuck.

Because this year's band worked diligently in true Spartan fashion, it developed into a snappy marching unit capable of presenting a variety of half time entertainment. The results were achieved only after hours and hours of conscientious drill—instrumental, marching and precision. Show ideas incorporated precision drill, dance routines, skits, animated formations and concert features.

The band paid special tribute to our new superintendent, Dr. McGovern, and our foreign exchange student, Naomi Mitsumoto, from Japan. Perhaps some of our most remembered features will be a drill to "This Could Be the Start of Something Big", a secret agent skit, featuring "Black Mac" McBride to the music from Goldfinger; the entire band dancing to "Downtown", and "Girl from Ipanema" which featured our Squad "7" and majorettes.

Other high lights of the year included first place in the Allen County Fair and a Greyhound Scenic Cruiser trip to the Springfield Game.

Squad leaders were: Tolanda Reese, Jean Harrod, Jill Bowman, Jenny Jamison, Kathy Cusick, Norine Metzger, Dan Greenland, Carl Rayburn, Roy Ledsinger, Jan Pifer, and Steve Butler.

Their assistants were: Nancy Baque, Jo Ellen Ridenour, Judy Rice, Tammy Grace, Leslie Von Almen, Penny Penman, Deanna Wehrman, Steve Miller, Dick Taylor, and Ron Moening.

Tim Riker served as announcer for the shows.

Drum Majorette was Miriam Bowers.

ROW 1: Sandy Rado, Sandy Shoup, Chris Winegardner, Lora Rayburn, Pam Cockerell, Elaine Aldrich, Debbie Schlereth, Darlene Thomas. ROW 2: Alfreda Mines, Joyce Smith, Jeanine Colgrove, Nancy Riegle, Pat Hartshorn, Lynnette Jones, Marcia Ammon, Tom Spears, Candy Tam, Bill Ridenour ROW 3: Lora Ketcham, Linda Mason, Manette Wolf, Kileen Pisel, Dwight Shambly, Jamie Laird, Kathy Hollar, Dana Hartinger, Joan Augsburger, Bob Moser, Cullen Smith, Steve Boggs, Greg Griffith, Tom McCullough, Jack Crabtree, Mr. Beck. ROW 4: Bill Reeder, Cherie Shope, Gretchen Moler, Bob Ford, David Courtney, Beverly Moore, David Lutz, Steve Wynn. Not shown: Ruth Ann Stanyer, Steve Wagner, Cindy First and Jim Kincaid.

## CADET BAND

The Cadet Band had one of the finest years since its inception. This group, under the direction of Mr. Fred Mosier and assisted by Mr. Beck, performed at the Fall Festival, Thanksgiving Band Concert, and Invitational Concert under the guest baton of Mr. Richard Suddendorf of Ohio State University.

There were seven ensembles and two soloists from the band which participated in the Solo and Ensemble Contest, four of which received superior ratings. Many members served as assistants to the adjudicators at the contest, and as guides during this most important event.

Several members of the band were host to students from Van Wert when their band came to perform at our Winter Concert.

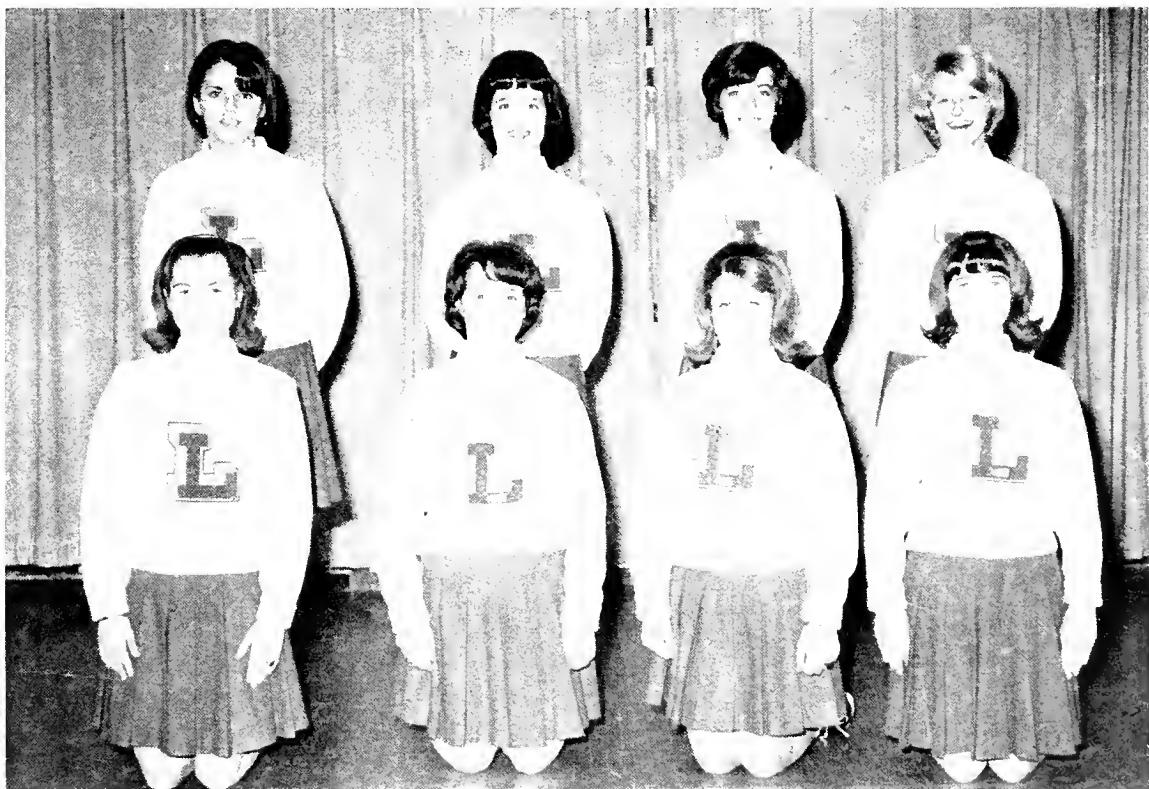

It is a certainty that many of these young musicians will provide a fine nucleus for our Concert Band and Marching Band during the next two years. Through the ensemble and band performance which they experienced in the Cadet Band, it is hoped the students improved their aesthetic understanding and individual musicianship.

#### SUMMARY

Coach Robert Welton in his second year as Spartan head mentor guided the splashers to a 7-5 record and the first GOL Swimming and Diving Championship. Lacking the depth that last seasons undefeated squad had, the Spartan's had to rely on individual effort this season. Junior Dave Pack, for the second year, was an All-American selection in the 50-yard freestyle with a 22.4 second time and also led the team this season with 107 points in dual meets. The medley relay team of Gary Scheuffler, Hank Sheraw, Pete Kesler and Pack were nationally ranked for the second year. Senior co-captain Pete Kesler placed seventh in the state finals in the 100-yard breaststroke; Junior David Pack placed third in the 50-yard freestyle and ninth in the 100-

yard freestyle; Sophomore Aaron Spechler, first year diver picked up tenth place in the 1-meter state finals.
